COMPANY PROFILE

Gourang Paper Products Pvt. Ltd. are engaged in manufacturing and supplying an extensive range of Paper Bags, Shopping Carry Bags, Fancy Paper Bags, Paper Bags for events and trade shows, specialized gift paper bags, Chocolate Boxes, Gift Boxes, etc.

These products are fabricated in accordance with the set market norms using supreme quality material and latest technology under the supervision of our skilled team of professionals.

The materials that we use to manufacture these products is procured from the most reliable vendors of the industry. These products are widely acclaimed all across the market due to their excellent finish, attractive look, elegant design and extended durability.

Our organization is supported by a huge and well-developed infrastructural facility that has played an important role in the growth and success of our organization. In order to ensure the smooth functioning of all business processes, we have segregated this unit into various sub-functional departments such as procurement, production, quality control, sales & marketing, etc. These departments are efficiently administered by our very competent and highly qualified professionals, who ensure precise and hassle-free operation.

Our production unit is well-resourced with the most-modern machinery and the cutting-edge technology that enables us to complete and deliver ample orders of clients within the committed period of time.

ABOUT US

ECO-FRIENDLY PAPER PRODUCTS

Extreme dependence on plastic and other synthetics are threatening to cause irreparable damage to our delicate eco system. At such a juncture, we at Gourang Paper Products Pvt. Ltd. aim to restore the balance in a small yet effective way.

Gourang Paper Products is one of India's leading manufacturers of eco friendly paper products. We manufacture Bio degradable Paper Bags ,and Gift Articles of the finest quality. We started this business out of choice with the sole intention of making the world a better place. For us, for the numerous people who are a part of our family & for the people around us.

When we set sail a decade ago, our vision was to promote the use of eco-friendly paper products. Ten years later, we have an impressive clientele and state of the art technology to boast. And yet, our onus remains to reduce the dependency on plastic.

Our growth both as an organization and as a 'Green' company has been steady and impressive.
